LR-1

WARNING: To avoid possible serious injury, use this ammunition only in properly functioning firearms in good condition, keep barrel free of obstruction, be sure firearm is designed for this particular cartridge, check all cartridges in this box to be sure they are the same and correct for use in the firearm as marked on it or is recommended by the gun maker. If gun fails to fire, a mechanically delayed firing may occur or gun may fire on opening, causing serious injury, keep gun pointed in a safe direction. Wait 30 seconds. Carefully unload, avoid exposure to breach. Wear proper hearing protection and eye protection. Improperly handloaded ammunition can cause serious injury. Handloading should be done only by competent adults. Since handloading practices are beyond our control, we disclaim all liability for damage which may result.
