IMPORTANT WARNING: To avoid possible serious injury: A) Use this ammunition in properly functioning firearms in good condition. B) Keep barrel free of any obstruction. C) Make sure firearm is designed for this particular cartridge. D) Check all cartridges in this box to be sure they are all the same and correct for use in the firearm as marked on it or recommended by the maker. If the gun fails to fire, a delayed firing may occur or gun may fire on opening, causing serious injury. Keep gun in a safe direction. Wait 30 seconds. Carefully unload, avoiding exposure to breach. Wear proper hearing protection. Wear shooting glasses. Discharging firearms in poorly ventilated areas, cleaning firearms or handling ammunition may result in exposure to lead and other substances known to cause birth defects, reproductive harm, and other serious physical injury. Have adequate ventilation at all times. Wash hands thoroughly after exposure. **CHECK ALL CARTRIDGES IN THIS BOX TO BE SURE THEY ARE ALL THE SAME AND CORRECT FOR USE IN THE FIREARM AS MARKED ON IT OR RECOMMENDED BY THE MAKER.**
